sold at the previous days' weights and prices, but the fresh arrivals got the benefit of the better prices. The buyers for the local packing houses have taken all the hogs offered on this market for the week closing has night at such prices as have been satisfactory to sellers. They wanted the hogs and the prices paid did not leave a profit for shipment to any not heave a profit for shipment to any over, 10%c; Foster backs, 9%c. other market. It has been the aim to keep in line with the other market centers of the country, but the packers here are making a market that is able to stand on its own merits. Hogs have a value here and less attention than ever before is paid to the margin between this and the Missouri river markets for the reason that the shippers all know that it does not pay to run past the Wichita market with good here. There were some very Hogs Receipts today 1200 Monday. with good hogs. There were some very good hogs among the offerings yesterday and the top price was \$6.55. The buyers took everything offered and bid liberally on several curloads to arrive late in the night. All indications last night pointed to another good week to come

market. The professional traders who alm to follow the current of sentiment rather than to consult large underlying conditions have been persistent short sellers of the market for several days. Their argument is that the rally in the markets which followed the formation of the benkers \$50,000,000,000 money pool has you too fast and too far, making a fresh re-

bunds, which is attributed to fovest negademand from capitalists who are uncook rating the distribution of January pro-

United States To advanced 1-4 per cent and the I's coupen, the new I's and old fa % per cent as compared with the ciaing call of last week

(From the Philadelphia Press.) McJigger-The robin is a very timed bird, tan't it?
Thingumbob-I guess so. At any rate the average restaurant cook can sure average restaurant cook can
